**§ 355.0 Applicability.**

The regulations in this part prescribe the rights and liabilities of the United States, the Federal Reserve Banks, and others on fiscal agency checks. They apply to checks issued on behalf of the United States for payments in connection with United States securities. The checks are issued by a Federal Reserve Bank, in its capacity as fiscal agent of the United States. The checks are drawn on the payor Federal Reserve Bank in its banking capacity. They are referred to from time to time as fiscal agency checks. The drawer of a fiscal agency check is the United States; the drawee is a Federal Reserve Bank. Therefore, a fiscal agency check shall not be deemed to be drawn on the United States nor shall the Federal Reserve Bank be deemed its drawer.

**§ 355.1 Governing law.**

Except as otherwise provided by statute or this part, the regulations governing checks drawn on the United States or on designated depositories of the United States (e.g., 31 CFR parts 235, 240, 245, and 248) are inapplicable to fiscal agency checks. As to definitions and other matters not specifically covered in this part, fiscal agency checks are governed by Regulation J of the Board of Governors of the Federal Reserve System, 12 CFR part 210 ("Regulation J"), and to the extent not otherwise inconsistent with these regulations and Regulation J, the Uniform

Commercial Code ("U.C.C."), as drafted by the National Conference of Commissioners on Uniform State Laws, and as both may from time to time be revised. Such matters include, but are not limited to, rules regarding general presentment and transfer warranties (as modified herein), indorsement, and final payment.
